

COMMUNITY PARTNER INVITATION

Join Us as a Community Hero

We are building a coalition of Treasure Valley organizations who serve people in the health and wellness space — and we want you at the table. Whether you connect people to mental health resources, food security, financial assistance, social services, or healthcare navigation, **your presence makes this event more powerful for everyone who walks through the door.**

WHAT WE'RE ASKING

Two simple ways to be part of it.

1 Host a Free Booth

Set up a table in our main hall at no cost. Share your resources, connect with attendees, and let the community know you exist and how you help. Booth spaces are provided complimentary to all community partners.

2 Spread the Word

Help us reach the people who need this most. Share the event with your network, clients, social media followers, and anyone in the Treasure Valley who could benefit from a day full of free resources and guidance.

WHO WE'RE INVITING

Any organization that helps people navigate health, wellness, and the systems that support it — including:

-  Community Health
-  Mental Health Services
-  Medication Assistance
-  Food & Nutrition
-  Employee Assistance (EAP)
-  Senior Services
-  Veteran Resources
-  Financial Wellness
-  Housing & Social Services
-  Family Health
-  Dental & Vision
-  Disability Services
